PER COPY

HALIBURTON, ONTARIO THURSDAY, MAY 14TH, 1964

Established in 1882 as the
Minden Echo & Haliburton Record

News has been received by Mr. and Mrs. J. Inglis that their daughter Heather, who is a student nurse in Britain has passed her first year final examinations in general nursing. Heather came first in her class with an average percentage of 86. She also informed her parents that she was happy to see Mr. and Mrs. Bruce Gould who were kind enough to go and visit her during their recent trip to the United Kingdom.

Sunday Movies Begin At Molou

We have just been informed that the first Sunday movie will be shown at the Molou Theatre in Haliburton this Sunday, May 17th.

The management has selected a very clever comedy to mark the debut of Sunday movies in Haliburton. The opening show is starring Paul Newman and Joanne Woodward in "A New Kind of Love".

It was our privilege to see the fine movie when it played in Toronto and we can highly recommend it to all movie goers.

There will be two shows nightly starting at 7:15 p.m.

HALIBURTON NEWS NOTES

Mrs. H. P. Bishop of Lindsay is a visitor at the home of her daughter, Mrs. T. A. Irwin.

A face lifting job is in progress on the premises of Mrs. Bella Bernstein.

Local firemen were called on Thursday afternoon last when an Esso oil truck caught fire at Edgewater Beach Lodge. The truck was badly damaged but no one was injured.

Mrs. T. A. Irwin spent the week-end in the city.

We hope to be able to inform readers next week that the work of tearing down our old arena is underway.

Local Club Marks 20th Anniversary

The Haliburton Rotary Club is making plans to celebrate its 20th Anniversary. In 1944 in the month of May the local club received its charter from Rotary International. It had begun in March. The president at the time was Ron Curry. Mr. Curry has since maintained a perfect attendance record.

This Thursday evening, all local members are asked to attend. A picture is going to be taken to be printed in a forthcoming book.

The actual celebrations are being planned for July when old members and friends from other areas will be able to attend.

This past week Rotarians listened to and questioned Mr. O'Connor, a representative of the Unemployment Insurance Commission.

Thos. Madill Passes On

On Tuesday, May 5th, Thos. Madill of Gooderham who was in his 77th year passed away. The late Mr. Madill had been looking for his cattle late in the afternoon and when he didn't return home later on his wife went to look for him. When she couldn't find him, she immediately phoned the O.P.P. at Minden. They rounded up some men and the search was on. They finally found him on the ground near his truck. Funeral service was held on Friday, May 8th.

Alvin Walling Called By Death

A fine and highly thought of person departed from our midst on Saturday afternoon last in the person of Alvin Clifford Walling.

Alvin Walling was a builder, and he not only constructed homes and cottages but built many lasting friendships as well. This fact was attested by citizens from all walks of life who were in attendance at the United Church in Haliburton on Tuesday afternoon to pay their final tribute.

Vote On Lounges Set For Sept. 19

Dysart Council held their monthly meeting on Tuesday of this week with all members present with the exception of A. H. Curry.

Accounts were passed amounting to \$25,744.54; included in this amount was the sum of \$825.36 for direct relief, down slightly from a year ago when it amounted to \$876.00.

A ten year lease was prepared between the municipality and E. R. Schickler for a portion of the old C.N.R. right of way 100' by 25' in the Hamlet of Harcourt.

That Mr. McIntyre, store operations manager of the Liquor License Board be requested to have the store open Friday nights during the summer months.

By-law 64-9 being a by-law to authorize the construction of a Community Hall and Arena and the issuing of debentures in the amount of \$44,700.00 to pay for said construction was given the necessary readings and passed.

A by-law was passed to authorize a vote on two separate questions under the liquor license act. One would provide the sale of liquor, beer and wine with meals in a hotel dining room and the other in cocktail lounges. Both would apply only to first class hotels.

Council granted the Rotary Club the sum of \$500.00 to assist them in the publication of a Centennial Book.

The Municipal Engineer of the Department of Highways is to be requested to look over that portion of the Burleigh Road from Kennaway Corners to the Harcourt Boundary. His decision as to incorporation of this road into the municipal system to govern council's action.

Correction—

In last week's edition we stated that the fire at the Oasis Restaurant in Minden had apparently started from a propane gas stove. We have been informed that an electric short in the wiring in the basement of the building started the fire, not from propane as stated earlier.

The Weather

Recorded by John Elstone

May 6 to 12

Maximum temperature 81 degrees on May 7; Minimum temperature 36 degrees on May 12; Rainfall 1.61 inches.

Front Page Editorial

We Would Like To Know

We read in the Lindsay Press that the town fathers down there are starting to worry about the railroad tracks running up Victoria Ave. So it looks as tho we should start to do some worrying too. The tracks on Victoria Ave. carry the trains from Lindsay to Haliburton and the crews working on same are residents of Lindsay which makes one wonder just what is behind this move.

Surely this cannot be the same council which were seeking the backing of various councils and other public bodies in their efforts to keep the rails intact from Lindsay to Blackwater? The Haliburton area, we hope in the next year or so, will see great development in not only summer business but winter business as well. This will be a great boost to the economy of the whole region and we are sure that the Canadian National Railway line running from Lindsay to Haliburton will reap its share of the anticipated benefits.

We would like to know what we in this area have done to create the apparent ill will of the Lindsay Town Council.

The Red Shield Appeal Is On

The month of May throughout Canada — is to be known as Red Shield month. Canadians everywhere have come to recognize the Red Shield as a symbol of service. They know that wherever the sign appears, some activity to sustain morale, ease conditions or solve personal problems is in progress.

As part of the great Church of Christ, the Salvation Army has helped to teach men, in a new way, that there is no degradation too great for redemption, no darkness too black for the dawn, no despair too deep for hope. They have gone with their music and faith into the dark places of the world, where famine and poverty have been the chief companions of men.

When the Army calls — help all you can. Your assistance will help the Salvation Army to

continue this vital ministry to the needy. Give and give liberally. The Haliburton County Objective has been set at \$2400.00.

Man 81, Burned By Brush Fire

LINDSAY (ENS) — Robert Martin, 81, of R.R. 1, South Lake near Minden, is in fair condition at Red Cross Hospital Minden, with second degree burns. He was burning brush at his home last Wednesday when his clothing caught fire. Mr. Martin jumped into the nearby lake to douse the flames.

A hospital spokesman said that Mr. Martin sustained burns to his arms, legs and back.

Adventure In Citizenship

Two hundred and forty-one eager Canadian students are anticipating a rendezvous in Ottawa from May 11th to 14th. They will assemble for the 14th Annual "Adventure in Citizenship", a project of the Rotary Club of Ottawa.

Kenneth Holm, Donald, Haliburton County District High School is attending. The Rotary Club of Haliburton as the sponsoring Club, has been co-ordinating the arrangements for Kenneth Holm's trip to Ottawa. Ken has been active in the Student's Council this year as class representative for 12A. He also won the mile race at the Track and Field meet last October. Over the years at High School, he has been greatly interested in the Camera Club. Ken's scholastic contribution as well as his extra-curricular activities makes him a worthy representative of our High School.

(Continued on Back Page)

Martha Jane Hobden Passes

Many readers of this paper from far and near will regret to learn of the passing of Mrs. Martha Hobden who entered into rest at Lindsay on Friday, May 8th, 1964.

Friends and relatives filled the United Church on Monday, May 11th to pay their last respects to this fine person who was beloved by everyone who knew her.

Joint Meeting

On Wednesday, May 13th the Full Gospel Bible Study group, the Harcourt Gospel Chapel, and the Wilberforce Anglican Church viewed the World Vision film "A Cry in the Night" in the Anglican Church at 8 p.m.

Haliburton C of C Backs Plans For Health Centre

LINDSAY (ENS) — Haliburton Highlands Chamber of Commerce directors have endorsed in principle plans calling for establishment of a health centre in the county.

Norman Craig, chamber secretary, said recently that plans for the centre were outlined by member John Hill at a meeting Friday. He said the building would house a retarded children's school, dental clinic, TB clinic, EMO office, Cancer Society headquarters, Red Cross, Alcoholics Anonymous, Canadian Institute for the Blind offices.

"We gave the idea our blessing because we feel such a centre could cut down costs appreciably," said Mr. Craig. He said Mr. Hill will present the proposal to Haliburton county council when he has gathered additional information.

The chamber's tourist information booth, which has undergone extensive renovation, will open Friday. It is on the Minden bypass.

The chamber directors endorsed a motion that Mrs. Nila Reynolds' In Quest of Yesterday — a 224-page book on the early history of the Haliburton area — be printed for resale as a

centennial project.

Printing of 2,000 copies would cost \$5,500., said Mr. Craig.

Among other suggestions already received by the centennial committee are establishment of a museum, development of a tourist and recreation park and development of a harness racing circuit.

The chamber has formed a committee to investigate the possibility of having a plaque erected at the Bethel Church on the Horseshoe Lake Road. The church is one of the oldest buildings in the county.

(Peterborough Examiner)

Township of Snowdon 1963 Auditors Report

To the Ratepayers, Reeve and Council
of the Township of Snowdon.

We have audited the books and records of your Township for the year ended December 31, 1963 and have prepared the attached statements.

We comment as follows:

REVENUE FUND BALANCE SHEET

Cash on Hand — \$137.23

This represents tax receipts collected but not deposited at December 31, 1963.

Due from Province of Ontario — \$10,932.70

An amount of \$10,932.70 is due from the Province of Ontario as the balance of the 1963 road subsidy.

Taxes Receivable — \$13,634.89

A substantial portion of the arrears was verified by direct confirmation and discrepancies in collections will be followed up as tax verification notices are received.

Deferred Charges — \$2,830.46

This is an accumulated underlevy by the Township for county and school purposes.

Prepaid Debentures Assumed — \$45.15

This amount has been carried over from 1961 when a prepayment of the debentures assumed from Somerville Township occurred and should be adjusted on the 1964 payment to Somerville.

Bank Overdraft — \$4,767.89

This balance is made up of an overdraft of \$6,097.20 in the current account and deposits in the savings account of \$1,329.31. The current account has been verified directly with the bank. The savings account is subject to adjustment for accrued interest.

Temporary Loans — \$6,000.00

This represents a Township loan from the Canadian Imperial Bank of Commerce in Minden. It has been verified directly with the bank in writing.

Accounts Payable — \$254.70

This represents hydro and telephone arrears placed on the 1961 and 1963 tax roll for collection by the Township.

Due to Schools — \$594.37

A complete breakdown of the amounts due to and from the various school boards is as follows:

Due to Snowdon T.S.A.	12.77
Lutterworth	20.73
Glamorgan & Snowdon	114.61
Anson, Hindon & Minden	464.87
Somerville	13.35
	626.33
Due from Haliburton High School	31.96

\$594.37

Reserves — \$2,028.26

No changes have been recorded in the reserves during the year.

Surplus — \$13,935.21

The current year's operations resulted in a surplus of \$3,926.80. The surplus carried forward from 1962 for estimate purposes was \$4,711.85. Surplus was adjusted for \$1,637.02 re misappropriation of 1962 collections. The remainder in the surplus account represents accumulated surplus from prior years of \$8,371.39.

We hereby report that in our opinion:

- (1) The financial transactions which have come under our notice have been within the powers of the Municipality.
- (2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the Municipality as at December 31, 1963 and the results of its operations for the year ended on that date.

News Notes From The County

Plans for a civic reception for the Lindsay Lions' hockey club are being made. Lindsay councillor David Logan said decision has been reached by a small committee regarding a suitable presentation "of lasting quality" to be made to members of the team which reached the Ontario Junior 'C' finals. It is proposed to hold a dinner at the Royal Canadian Legion Hall later this month. Haliburton County players on the Lindsay line-up were Jim Scheffee, Rick Bain, Paul Yearwood and Craig Gartshore. These four players will be in for the awards and celebrations.

Date for official ceremonies to make the official opening of the Lindsay airport were discussed recently at a meeting of the Lindsay Council.

The Bonanza Kinsmen Bingo are drawing good crowds every Thursday night at the Minden Recreation Centre. 18 regular games totalling \$100.00, plus share the wealth. The Jackpot depends on attendance, e.g. 200 people in attendance \$200.00 Jackpot.

New street lights are to be placed from Jack Robertson's home to the new bridge in Haliburton. One of these lights has already been installed.

Just a note here to remind everyone that Brandon's Bakery in Minden will open to-day, Thursday, May 14. Bread - cakes - rolls - pastries. All goods baked on their own premises.

Ruby's Riding Stables which are located 7 miles south of Haliburton on Highway 121 are

now open for business.

H.D.A.R.C. REPORT

Don't Throw Them Out

The drive for Golden Book for Charity labels, found on many products, is gaining interest and momentum. These labels are valuable in obtaining school equipment free. Please encourage your friends far and wide to save these wrappers. Information about this can be secured from any of the key personal appointed throughout the county or any executive member of the Association.

Key persons are: Mrs. R. Hewitt, R.R. 2, Minden; Mrs. Tye Irwin, Haliburton; Mrs. N. Nimigon, Haliburton; Mrs. V. Fader, R.R. 1, Haliburton; Mr. M. Shantz, Minden; Rev. A. Brubacher, Minden; Mrs. R. Anderson Jr., Tory Hill; Mrs. C. Bidgood, Wilberforce; Mrs. T. E. Deterling, Wilberforce; Mrs. W. Besse, Eagle Lake; and Mr. J. Hill, Lochlin.

Appreciation

We know that many individuals and groups who have played a part in helping retarded children fail to receive the proper recognition and thanks we owe them. If such should be your case, rest assured that the Lord takes notice of all sacrifices made and deeds of love bestowed upon these, His "special" children, be they ever so small. A special thank you to the John F. Kennedy Auxiliary in the eastern end of our county, for their tireless efforts to help this great cause. That their example may produce more such groups throughout the whole county is our prayer.

Another red letter day in many people's lives was the official opening of Lindsay District Provincial Parks, an event

that occurred Friday, May 8, 1964.

Fees for the new season remain unchanged: Seasonal vehicle permit (valid for all Provincial Parks and St. Lawrence Development Comm. Parks) — \$3.00; Daily vehicle entrance permit — 50c; Camping per day (maximum continuous length of stay any one park - 28 days) — \$1.00.

The above rates apply at Presqu'ile Provincial Park near Brighton, Darlington Provincial Park near Oshawa, Serpent Mounds Provincial Park near Keene (east of Peterborough), and Emily Provincial Park near Omeme (east of Lindsay).

Mark S. Burnham Provincial Park is a woodland park only, no camping is permitted, there is no water for fishing or swimming nor is there an entrance fee.

Wildflowers grow in profusion here, but we respectfully request that they not be picked, please leave them to continue blooming in the years to come.

Balsam Lake Provincial Park west of Cobocok is still in the initial stages of development and will not be officially opened, therefore, there will be no vehicle entrance fee charged, a park staff will be on hand, however, and camping permits will be sold at the regular fee.

Anyone suffering from one of the "hay fever" type of allergies should try to avoid the localities where there is much ragweed or other air-borne pollens. A vacation can be spoiled by attacks of this ailment. There are areas in Canada that are quite free or almost free of the ragweed, where the sufferer may look forward to relief from his trouble. Much research has been done by federal and provincial departments on ragweed incidence in various parts of Canada and the information is available in a free service, upon request to the Canadian Government Travel Bureau, Ottawa, Canada.

A park for the Township of Lutterworth will probably become a reality in the near future. The park will be situated south of Moore's Falls on Highway 35, just north of the Haliburton-Victoria boundary. The agreement is subject to approval by the planning board.

MINDEN

A little moron went to a football game because he thought the quarterback was a refund.

Some forty-six miners have been laid off, which is just a start as Metal Mines Ltd. (formerly Faraday Uranium Mines) prepares to close down operations. The government's announcement last week that Canada will cease to stockpile uranium means that Faraday Mines will cease operation June 30th when its present contracts are completed. Mine manager D. R. Wilson, said there will be more layoffs in the 300 odd miners as the termination date arrives.

The Minden Rotary Club are adding three more members to their Club.

The Salvation Army Red Shield Appeal is now in full swing. The Haliburton County objective has been set at \$2400.00. Give generously when the canvasser calls.

Dart players from the Lindsay Branch of the Royal Canadian Legion took second place in a Legion dart tourney held in Lindsay last week-end. A team from Peterborough took the

top prize. Although the Peterborough entrants took off the top prizes in both the team and singles events, Lindsay players won both first and second place in the doubles event. Nine teams from Peterborough, Oshawa, Kimmount and Lindsay took part in the tournament.

Although tourism in Ontario is \$1,400,000,000 a year business offering jobs to some 300,000 people, businessmen still consider it the business of resort and motel operators, James Auld, minister of tourism and information told a conference on the subject in Peterborough.

DANGER: DON'T MIX HOUSEHOLD PRODUCTS

Do you know that some good and useful household products can be "dynamite" if they are combined either accidentally or purposely — because you may mistakenly think the two together will do a better job? It's true. So don't run any risks. Never mix a bleaching solution with a toilet bowl cleanser, a rust remover or a household ammonia. Such combinations release a substance so toxic that when inhaled that it can cause death — and has. Follow this safety rule at all times with all household cleaning products:

Use them just exactly as the manufacturer directs on the label, and pay most careful attention to any warning that may appear on the container.

SUGAR and SPICE

By Bill Smiley

Everybody is writing about Shakespeare these days. The only sour note in the fanfare of acclaim marking his 400th anniversary is a deep, rumbling sound that has many people baffled.

A few romantics claim it is the ghostly applause of nearly four centuries of playgoers, echoing down the years. A few realists assert that it is the mutinous mumbling of 20 generations of students who had to memorize chunks from his work.

Personally, I think the discordant note is caused by the rapid rotation in his grave of the bones of The Bard, a shrewd businessman, as he agonizes over all those royalties he is not collecting.

Otherwise, things are going swimmingly as the critics and professors of English peer and peek and poke among the magnificent debris, and the inane argument about who really wrote his plays waxes once more with futile fury.

But I'm not concerned with that. There are enough people plodding about through his works, trampling poetry underfoot as they search for clues to prove that he was really Bacon or Marlowe or the Earl of Something.

Let's look for a moment at the real Will Shakespeare.

We find him in the hundreds of brief passages that have come ringing down the years with their universal truths. He had to put them in the mouths of others, of course, but the man himself is there, warm, alive, grinning, scowling, scolding, exulting.

What could be more human, for example, than his pride in his own success? When the opening night performance of Hamlet showed that the play was a smash, he deftly inserted in the last scene, and on the

spur of the moment, the joyful line, "A hit, a very palpable hit."

We can see his amused tolerance of his wife's lack of muscle in another famous line. She'd been spring cleaning and had slipped a disc while trying to move an old trunk full of sonnets. "Frailly, thy name is woman," quipped Will.

We can sympathize with his honest rage (this was before dry-cleaning) as he scrubbed the gravy-stain on his new silk breeches and bellowed, "Out, damned spot! Out, I say!"

What man's heart does not warn to The Bard's forthright suggestion, in Henry VI, Part 2, "The first thing we do, let's kill all the lawyers."

Is there a housewife living who has not echoed, at some time, Shakespeare's immortal comment when his wife came home from the butcher with a stringy roast, "This is the most unkindest out of all?"

Many a man has wished he had the gift, and the nerve, that Will displayed the night he got home from the pub, tiddly and tardy, and was confronted by his wife, her sister, and his mother-in-law. Did he say he was sorry and would never do it again? Not he. He roared, "How now, you scret, black and midnight hags!"

He knew men, as witness, "Tis ever common that men are merriest when they are from home." He knew women, too, "There was never yet a fair woman but she made mouths in a glass."

As this piece of research ends, I can hear a multitude of English teachers saying, in unison, "For this relief much thanks."

Snowdon Council

The regular meeting of Snowdon Township Council was held with the Reeve and three members present.

The minutes of the last meeting were read, and it was moved by Gerald Hicks, seconded by Fred Jones that they be adopted as read.

Council agreed to have the road overseer purchase 10 tons of calcium at the quoted price.

The hydro contract for Mr. Jos. Hancock, Lot 30, Con. 5 was approved.

It was moved by Gerald Hicks, seconded by Wm. Procter that the clerk write to the prospective railway property owners who have not purchased the property involved, to ascertain if they wish to do so.

Moved by Fred Jones, seconded by Wm. Procter that we have our solicitor obtain a Court Order to have the bridge removed from Lot 26, Con. 5, Township of Snowdon. This was opposed by Gerald Hicks, but was carried.

Current bills in the amount of \$325.65 were approved for payment.

Moved and seconded by Gerald Hicks and Fred Jones that the road account amounting to \$922.79 be paid.

The 1964 estimates and mill rate were presented, and By-law 220-64 was passed to set the mill rate as per schedule.

Moved by Gerald Hicks, seconded by Wm. Procter that the meeting be adjourned until Friday, June 5th at 7 p.m.

Post Office Releases Maple Leaf Stamp

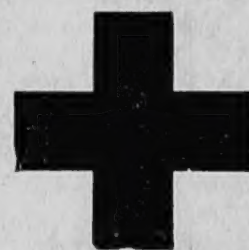

The Postmaster General, the Hon. Joan R. Nicholson, announced recently that the special stamp issue planned by the Post Office Department for the 14th May will carry the theme of Canadian Unity.

The stamp which is the third new issue on this year's programme, portrays three red maple leaves on a blue background to provide colour contrast. It will introduce a series of floral emblem stamps that will continue through the pre-Centennial years of 1965-66 and will include the official floral emblems of all ten provinces and the northern territories.

Mr. Nicholson pointed out that the design of three maple leaves on the stamp forms part of the heraldic device of the Arms of Canada and appears as well in some provincial armorial bearings. The three red maple leaves were approved by Order-in-Council in 1920 as the official insignia of Canada. The maple leaf insignia is indicative of Canadian unity since it symbolizes all the groups which comprise our country and which are joined together in a common destiny.

The stamp, in the five cent denomination, will be in the large horizontal size. It is to remain on sale for several weeks after the date of issue.

CARNARVON

Mr. and Mrs. A. Medley visited with Mr. and Mrs. Herb Wilson in Pittsburg, U.S.A. for a few days last week.

Congratulations to Mr. and Mrs. Andy Marranco (nee Mary Miscio) of Hamilton on the birth of their third son.

Mr. and Mrs. M. B. Windsor were visitors in London, Ont. this week.

Mrs. Garnet McCartney and John of Toronto spent the week-end at their cottage on Twelve Mile Lake.

A baptismal font was accepted and dedicated on Sunday in memory of Sylvia Chambers,

the late wife of James Chambers. It was a fitting day for such an occasion, as the dedication took place among flowers, birds and the children she loved and taught for so many years.

Mr. and Mrs. Max McKay and Laurie spent Saturday in Huntsville.

Two little boys were Christened on Sunday: Glen David, son of Mr. and Mrs. Roger Harrison and William Andrew, son of Mr. and Mrs. Russell Packard.

Young people home for Mother's Day were Miss Glenda Medley of Bay Ridges, Miss June Toye of Lindsay, Miss Diane Harrison, Miss Beth

Skelding, Mr. Murray Burton and Mr. Cliff Archer, all of Toronto.

Mr. and Mrs. Bud Medley motored to Brockville on Sunday.

HALIBURTON

PERSONALS

Mr. Everett Pearson was a visitor here over the week-end.

Mr. and Mrs. Bill Harding of Toronto were visitors here over the week-end.

Mr. Jack Rule was a visitor here over the week-end.

Mr. James A. Swanston of Peterborough was a visitor here last Thursday.

Mr. O'Connor of the Unemployment Insurance office at Peterborough spoke to the Haliburton Rotary Club last Thursday night.

Mr. and Mrs. Lawrence Thibadeau were visitors to Fenelon

Falls and Bobcaygeon over the week-end.

Mr. Bill Davies who is employed at General Motors at Oshawa was a visitor here on Saturday.

Mr. and Mrs. Grant Rae were out of town visitors one day last week.

Mr. Mike Robinson of Toronto was a visitor here over the week-end.

Mr. and Mrs. Herman Yensen of Peterborough spent the week-end with relatives in the village.

WEDDINGS

BURK — TAYLOR

The United Church, Minden was the setting for the marriage May 2 at 4 p.m. of Agness Anne, daughter of Mr. and Mrs. Allan Taylor and Ronald Cecil, son of Mr. and Mrs. Cecil Burk of Lochlin. Ceremony was performed by Rev. Staples with organist Dan Davidson.

The bride, given in marriage by her father wore a floor length white misty sheer gown with bodice of nylon and rayon lace over taffeta. The dress was trimmed with lace appliques and tiny self bows and a large bow at the back. Her shoulder length veil was held in place by a tiny crown trimmed with sequins and she carried a bouquet of red roses complimented with white carnations.

Maid of honour was Mrs. Neil Burk wearing a yellow nylon ballerina length dress with white accessories and carried a bouquet of yellow and white carnations. Bridesmaid Helen Burk (sister of groom) wore blue nylon ballerina dress with white accessories and carried a bouquet of pink and white carnations centred with pink rosebuds. Junior bridesmaid Dianne Taylor (sister of bride) wore a turquoise ballerina gown with white accessories and bouquet similar to the bridesmaid.

Best man was Alvin Taylor, brother of the bride with ushers Neil Burk and Murray Taylor, all wearing charcoal suits and white carnations.

At the reception held in the Church Hall, prepared by the U.C.W., the bride's mother received wearing a green cocktail gown with jacket of organza over a silk sheath with beige accessories and a corsage of pink carnations trimmed with several pink sweetheart rosebuds. She was assisted by the groom's mother in multi-coloured silk dress with white accessories and corsage of pink carnations.

After the wedding dance at Bonnie View the happy couple left on their honeymoon, the bride travelling in a gold suit and brown accessories and corsage of yellow rosebuds.

Family guests were Mr. and Mrs. Dave Nicholls of Newcastle, Mr. and Mrs. Jack Mills of Victoria Harbour, Mr. and Mrs. Jack Dart of Oshawa, Mr. Murray Taylor of Orillia, and Mr. and Mrs. Mark Wilson of Toronto.

Your Hydro - And Conservation

Conservation has been defined as the official maintenance and supervision of natural resources. And this is a subject in which your Ontario Hydro has been concerned for many years. Conservation of natural resources is a matter of growing public concern and Hydro, in keeping with the Commission's motto that "The Gifts of Nature are for the People," is as interested in conserving the gifts of nature as in developing them to further the Ontario economy.

In the harnessing of the Province's rivers and waterfalls to produce power, your Hydro makes every effort to preserve the natural beauty of the areas affected by construction activity. This applies not only to wildlife, where the habitats and existence of animals and fish might be threatened by the building of generating stations, but to scenic spectacles.

A major example of conservation was the vast program of remedial works carried out at Niagara Falls by Ontario Hydro, acting as the Canadian agency under international agreement with the United States, whose share of the work was undertaken by the Corps of Engineers, United States Army. The purpose of the remedial works, a program hailed as "conservation in its truest sense," is to check the deteriorating effect of erosion and to preserve and enhance the beauty of the Niagara Falls.

With the passage of time, the tremendous force of Niagara's rushing waters has gradually cut back the natural crestline of the Falls and created an uneven flow of water along the rim of the precipice. In less than two centuries, the Horseshoe Falls has receded 865 feet, with more than half of this occurring in the first 78 years. Diversion of water for power purposes has slowed the erosion considerably and the remedial works now make it negligible. With the completion of the remedial works, the waters of the Niagara are distributed so as to produce an unbroken crestline on the Falls and it is possible to

make a more effective use of the water for power production.

Water power is, in fact, one of this Province's greatest natural resources and by the act of developing it in the most economical and efficient basis, Hydro is making a major contribution to this country's overall conservation program. Left undeveloped the potential benefits of such a resource are lost. While it is true that electric power, once generated, cannot be stored, it is equally true that by storing water, by means of dams and power houses, a great potential source of energy is thus conserved, ready to be converted into electricity to meet the needs of a growing Province.

Reforestation also plays an important part in Hydro's activities, ranging from the planting of shrubbery at the base of high-tension towers for beautification and soil preservation purposes, to the planting of young trees in power site areas. Hydro has learned from the past — a past in which neglect and irrational exploitation of natural resources has created wastelands in many parts of North America.

To protect the beauty and usefulness of Ontario's trees along the rights of way of transmission lines, Ontario Hydro established its Forestry School in 1930. The service is responsible for keeping Hydro lines clear of tree obstructions, a job involving a total of nearly two million trees, each of which is inspected once in about every three years by men of the forestry service. The service also implements the Commission's policy of placing under forest management any wooded lands owned by Hydro so as to perpetuate the forest cover. To round out this program, Hydro is following a plan to reforest all idle land which it owns.

IN MEMORIAM

COULTER — In loving memory of a dear Mother and Grandmother, who passed away May 18th, 1961.

Your life was love and labour
Your love to your family true;
You gave your best for all of us
What more could a Mother do.

—Sadly missed by daughters Ruby and family and Ada and family.

HOBDEN — In loving memory of a dear husband and father, Lloyd Philip, who passed away May 18, 1960.

We do not forget you, nor do we intend,

We think of you often, and will to the end;
Gone and forgotten by some you may be,

But dear to our memory you ever will be.

—Sadly missed and ever remembered by wife Ada and family.

COULTER — In loving memory of a dear Mother, Lillian, who passed away May 18, 1961.

Loving and kind in all her ways,
Upright and just, to the end of her days;

Sincere and true, in her heart and mind,

Beautiful memories she left behind.

—Sadly missed and ever remembered by daughters Ada, Barbara, Ruby and son Bert.

CHURCH NEWS

PENTECOST SUNDAY OBSERVED

The Full Gospel Lighthouse is a Pentecostal Church. As such it believes in and seeks the Baptism in the Holy Spirit as portrayed in the New Testament (Acts 2, 10, 19).

This Sunday is Pentecost Sunday when the whole Christian Church remembers the coming of the Holy Spirit to fill the believers in Acts 2, beginning the great outward expansion of the Church from Jerusalem.

At the turn of this century groups of people began to experience the same phenomena and a world-wide Pentecost Movement of over 10,000,000 adults has resulted. This Movement is not a governmental unity. In our county we have three Churches of Pentecost Faith, each belonging to a different group. Canadian pentecostals of all groups support some 220 foreign missionaries around the world.

The Full Gospel Lighthouse is a member of the Apostolic Church of Pentecost. It invites you to attend its pentecostal services on Pentecost Sunday, May 17th.

MOTHER'S DAY AT LIGHTHOUSE

Mother's Day was observed last Sunday at the Full Gospel Lighthouse.

In the Sunday School it was Missionary Sunday and the offering was received to be sent to Nyasaland. The Sunday School is responsible for the full support of a National Worker and his family there.

Mrs. McNeill spoke in the morning service presenting a challenge to each one present. Her message dealt with the type of men called to do service in the temple — brave, strong and faithful men. Qualities which are important in today's living. After the service each mother present was presented with a lovely cut flower.

In the evening service, Pastor McNeill spoke about "Wind" and its symbolism in the Scriptures bringing out thoughts at the Holy Spirit, testings, life, and false doctrine.

FROM THE PASTOR'S DESK "THE HOLY SPIRIT"

This Sunday will be Pentecost Sunday when Christians around

the world will be thinking of the coming of the Holy Spirit upon the believers. Two thousand years after this wonderful event the Holy Spirit is still an enigma to most people and Pentecost is nothing more than historical.

The Holy Spirit (the Authorized Version calls Him "the Holy Ghost") is God. It is His desire to dwell within each one of us and to use us as instruments in God's hands. Before Jesus was crucified He promised to send the Holy to help the believer. However, before the Holy Spirit can indwell the spirit and body of the believer, the individual must accept Christ's cleansing through repentance and faith.

When we meet this requirement we may be sure that the Holy Spirit is dwelling within us. Once He has taken up residence in our hearts He leads us into Scriptural truth; He enables us to understand His workings. Could it be that the lack of knowledge about the Spirit and the work of Christ is a result of not having the Holy Spirit within us?

On this Pentecost Sunday why not ask God to give you the Holy Spirit? If He already has why not ask to be filled with the Spirit as the disciples were of Pentecost? (Acts 2, Eph. 5:18)

ST. ANTHONY'S ALTER SOCIETY

The monthly meeting of St. Anthony's Alter Society was held on Monday, May 4 at the home of Mrs. Frank Salvatori of Eagle Lake. There were ten members present.

Miss Eva Salvatori read "What is Actual Sin?" Discussion followed the reading. Then followed an election of officers for the following year 1964-65. The results were: President - Mrs. Mary Pearsell; Vice President - Mrs. Eva O'Hara; Secretary - Mrs. Rose Barry; Treasurer - Mrs. Audrey Gauthier. The meeting closed with all members singing the Hymn "Tis The Month of Our Mother".

Luncheon was served by Mrs. Gina Salvatori and daughter Eva.

Report From Parliament Hill

By CHARLES LAMB, M.P.

The outstanding subjects discussed in Parliament during the past week were the Canada Pension Plan, the transfer of Veterans hospitals from federal control and the redistribution of seats.

The Prime Minister made a speech in the House on April 20th respecting tax sharing with the provinces, and the Canada Pension Plan. First of all, he presented the text of a letter which had been sent to all the Premiers of the provinces, and then went on to summarize the plan. He said the government shared the view of the provinces that the existing arrangements in this field were inadequate. They did not provide for a proper degree of equalization of provincial revenues from the shared fields. In the light of the discussions which took place at the Provincial-Dominion conference in Quebec recently, this matter of tax sharing was reviewed, and it was decided to advise the provinces at once that their increasing needs were recognized. The announcement of increased revenues was welcomed by the provinces, because they have been facing an increasing demand for services especially in the field of education. Mr. Diefenbaker, in his reply made it clear that the Conservative Party would support any action that will assure the provinces of a greater share of the tax dollar, so they can carry out their responsibilities under the constitution.

In speaking of the Canada Pension Plan, which was first proposed last July, the Prime Minister said that at the conference held in Quebec City recently, the Government of Quebec made known for the first time the details of the plan which it had been preparing in the meantime, and it was found that it was less different from the federal plan than at one

time seemed likely. After discussion with Quebec, now that the two plans could be compared, a plan that would achieve the purpose of both was worked out.

The Conservative Party have stood throughout the years for a contributory, universal pension plan for Canadians. First, we raised the Old Age Pension immediately we came into office, and having raised them to a level that at least assured the old age pensioners of some opportunity in life, we proceeded with the next step, to bring into effect a universal contributory plan. However, the government changed before this could be accomplished. The federal and provincial governments of Canada, in adopting and accepting the Canadian Pension Plan, have taken a step forward in national unity. We in the Conservative Party will give our support on the question of principle, and we shall do our best to bring about any further changes that are necessary to ensure that Canadians in every part of the country may have an opportunity to benefit from a contributory plan which has been adopted as part and parcel of the social security law of our country.

The government's Redistribution Bill is meeting with considerable opposition. The debate on the clause dealing with the method of appointment of the ten commissions to be appointed to change federal constituency boundaries, continues. The Representation Commissioner has been appointed to the satisfaction of all parties, but the Members are demanding that maps which are being drawn up, be produced in the House so that the Members of Parliament may know to what extent their constituencies will be affected by the proposed redistribution of seats. It is hoped that a non-political commission will be set up to deal with this question;

in fact it is felt that the job could be better done by ten commissions, one for each province. There are many details to be considered in this redistribution of seats, and the debate will likely continue for some time.

(Continued Next Week)

Celebrate 60th Wedding Anniversary

Mr. and Mrs. Herb Dewell of Norland were honoured on their 60th Wedding Anniversary on Monday, April 27th, 1964. The celebrations included a dinner for the immediate family at the home of their daughter, Mrs. Harold Hopkins of Baddow, Ontario on Saturday, April 25th. All six children were present. The family included Mrs. M. McNevin and Ted of Kingston, Ont.; Mr. and Mrs. Floyd Dewell, Toronto, Ont.; Mr. and Mrs. Sandy McGee, Cameron, Ont.; Mrs. Robert Dennison, Averill Park, N.Y.; Mr. and Mrs. Ivan Dewell, Cameron, Ont.; and Mr. and Mrs. Harold Hopkins, Baddow, Ont. Mr. and Mrs. Ron Wood of Mimer's Bay were guests.

Mr. and Mrs. Dewell held open house for their many friends and neighbours on Sunday and Monday afternoons at their own home in Norland. The happy couple were honoured with "congratulations" from our Queen.

Mr. and Mrs. Dewell were married at Castleton, Ontario. They farmed for many years at Uphill, Ont. and then at 5th Concession, Fenelon Falls Township. In 1949 they moved to Norland where they now reside, and enjoy their sixteen grandchildren and twenty great grandchildren.

DONALD

(Intended for Last Week)

A number of residents of Koshlong Lake were up to their cottages over the week-end.

A number from here attended the Burke-Taylor wedding dance and reception at Bonnie View on Saturday evening, May 2nd.

Word was received here of the sudden death of William (Bill) Fleming at Montreal, late of Toronto, on Thursday, April 30th. Interment was at Mount Pleasant Cemetery, Toronto on Monday, May 4th. Deepest sympathy is extended to his brother Jack and family of Markham, Ont. The late Mr. Fleming is a nephew of Mrs. J. E. Emmerson and for a number of years was a summer visitor to Koshlong Lake.

Mr. and Mrs. Cecil Robinson were visitors on Sunday to Toronto.

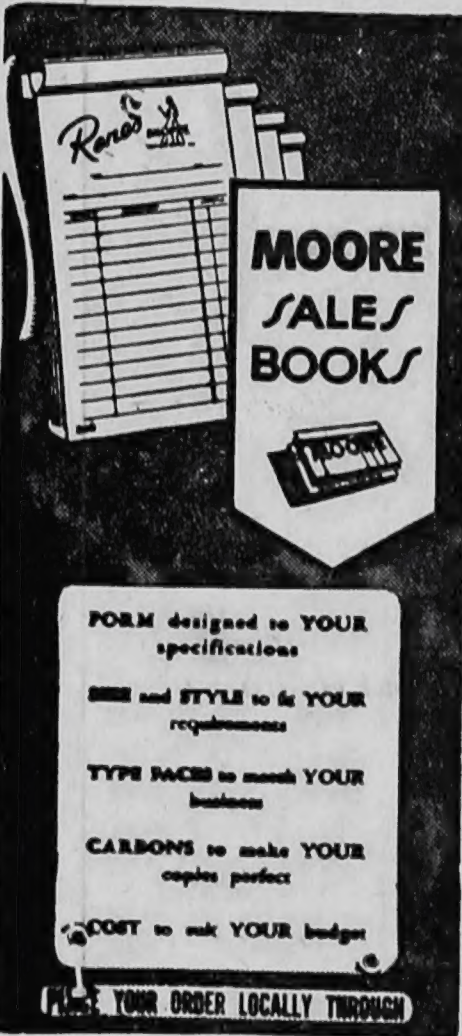

Mr. and Mrs. Eldon Cowen of Haliburton, and Mr. and Mrs. Christie Cowen and Susan of Fenelon Falls were at their cottage on Koshlong Lake over the week-end.

Mr. and Mrs. John Johnson and Mrs. Harley Fader were business visitors to Lindsay on Tuesday.

Unit 3 U.C.W. Haliburton

Unit 3 of the Haliburton followed. One new member was added to our unit. Reports from the various committee convenors were given.

In opening the meeting, the President, Mrs. Petrie, recalled to our minds the purpose of the U.C.W. and the marks of a good member.

Lorna Stinson, conducting the worship service, took as her theme "Christian Womanhood", based on the scriptural passage from Colossians 3: 3-17. Prayer concluded this portion of the meeting.

The roll call, offering and reading of the April minutes

Plans for our "Spring Tea" to be held at Wig-A-Mog Lodge on Saturday, June 13, 2 - 5 p.m. were finalized.

Arrangements were also made re Unit 3 serving refreshments following the annual meeting of the T.B. Association on Monday night, May 11.

The next general U.C.W. meeting will be held on Tuesday, May 19, at which time Miss V. Neale, Presbyterian President, will speak. There will be a dis-

play and dedication of all items donated by the 3 units for our bazaar. Unit 3 will provide the refreshments for this meeting.

At the conclusion of the business, Wendy Hicks sang two delightful solos.

Mrs. J. Augustine, our guest speaker, then gave us a very interesting account of her life in various parts of South America, illustrating her talk with beautiful coloured slides.

The June 1 meeting will take the form of a pot-luck supper to close our activities till fall.

Adventure In Citizenship

(Continued from Page One)

School. The young Adventurers have inspected nearly every segment of Canada's Capital area. There was the traditional visits to the Houses of Parliament, the Supreme Court and the National Gallery, a private look at the R.C.M.P. Rockcliffe Barracks, and

a sneak preview of this year's Musical Ride. The National Capital Commission has special tours and a luncheon along the beautiful Rideau River at Vincent Massey Park. There was dancing and dining at the famed Chateau Laurier.

At Carleton University the Adventurers participated in a "Seminar in Citizenship". Discussion groups with a coast-to-coast personality and including about 20 students in each group met daily.

All the Provinces and the Northwest Territories are represented as follows: Newfoundland 2; Nova Scotia 13; New Brunswick 12; Prince Edward Island 2; Quebec 17; Ontario 115; Manitoba 10; Saskatchewan 11; Alberta 18; British Columbia 27; Northwest Territories 2; Ottawa Area 12.

Guest Speakers at the various luncheon and dinner meetings were Prime Minister Lester B. Pearson, the Right Honourable John G. Diefenbaker, Senator John J. Connolly, Mayor Charlotte Whitton, R.C.M.P. Commissioner G. B. McClellan.

For 241 fortunate Canadian students it will be an unforgettable Adventure.
